WOMEN'S HOPE CENTER d/b/a S A F E NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2002

NOTE #1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Women's Hope Center was incorporated in 1991, to help families in crisis. The Sex And Family Education (S A F E) program was designed to educate youth on the consequences of sex outside marriage.

BASIS OF PRESENTATION

The financial statements are presented in accordance with Statement of Financial Accounting Standards No. 116 (SFAS No. 116), "Accounting for Contributions Received and Contributions Made" and Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. SFAS No. 116 requires contributions to be recognized as revenue when they are received or unconditionally pledged. SFAS No. 117, which eliminates the utilization of fund accounting for financial reporting purposes, requires net assets to be classified as either 1) unrestricted, 2) temporarily restricted, or 3) permanently restricted depending on limitations placed on the net assets.

DONATED SERVICES

Amounts have not been reported in the statements for donated services because they do not meet the criteria for recognition under SFAS No. 116. A substantial number of volunteers have donated significant amounts of their time to the Organization.

Contributions of service shall be recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individual possessing those skills and would typically need to be purchased if not provided by donation.

REVENUE RECOGNITION

Contributions are recognized as revenue when they are received or unconditionally pledged.

Conditions - Contributions are recorded as unrestricted as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized.

WOMEN'S HOPE CENTER d/b/a S A F E NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2002

REVENUE RECOGNITION: CONTRIBUTIONS - Continued ...

All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purposes restriction is accomplished), temporarily restricted net assets are classified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used.

Contributions receivable represent amounts committed by donors that have not been received by the Organization.

INCOME TAXES

The Organization is a not-for-profit organization that is exempt from income taxes under section 501(c)(3) of the Internal Revenue Code.

CASH AND CASH EQUIVALENTS

For the purposes of the statement of cash flows, the organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

PREPAID

Insurance and similar services which extend over more than one accounting period have been recorded as expenses.

CONCENTRATION OF CREDIT RISK

The Organization maintains investments with a commercial bank, which sometimes may exceed the amount insured by the Federal Deposit Insurance Corporation of \$100,000.

CONCENTRATION OF SUPPORT

During the year ended December 31, 2001, the Organization derived approximately 100% of its revenue from the State of Louisiana.

USE OF ESTIMATES

The preparation of financial statements in-conformity with generally accepted accounting principles require management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

WOMEN'S HOPE CENTER d/b/a S A F E NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2002

NOTE #2. CONCENTRATION OF CREDIT RISK FOR CASH HELD IN BANK

The Women's Hope Center d/b/a SAFE maintains one bank account at a financial institution. Accounts at an institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$100,000. Cash at this institutions did not exceed the Federally insured limits.

NOTE #3. CONTINGENCIES

The Women's Hope Center d/b/a S A F E received its revenues from government grants and contracts, all of which are subject to audit by the governments. The ultimate determination of amounts received under these programs generally is based upon allowable cost reported to and are subject to audit by the government. Until such audits, if any, there exists a contingency to refund any amount received in excess of allowable cost. Management is of the opinion that no material liability will result from such audits.
